

# SHONELL SHANU

Frontend Developer & Web Designer

📍 Port Elizabeth, South Africa

✉️ :Luvvshone@gmail.com | 📞 :+27 75 219 0199 | 🌐 Portfolio: [Shonell's-Portfolio](#)

## PROFILE

Motivated and passionate aspiring frontend developer with a strong foundation in web development and design. Self-taught through **freeCodeCamp.com**, with a focus on mastering HTML, CSS, and JavaScript. Dedicated to continuous learning and building clean, responsive, and user-friendly web interfaces. Seeking an internship opportunity to contribute and grow within a dynamic development team.

## SKILLS

- **Frontend Development:** HTML5, CSS3, JavaScript (ES6+)
- **Web Design:** UI/UX principles, responsive design, layout design
- **Tools:** VS Code, Git & GitHub, Chrome DevTools, Figma (basic), Webflow
- **Soft Skills:** Problem-solving, attention to detail, adaptability, team collaboration

## EDUCATION & TRAINING

### Frontend Development Certificate

*freeCodeCamp.com* (2024 – 2025)

- Completed over 300 hours of hands-on coding exercises
- Projects include responsive landing pages, forms, and interactive JavaScript apps

## PROJECTS

### 1. Personal Portfolio Website

- Designed and coded a responsive portfolio website showcasing my work and skills([Shonell's-Portfolio](#))

## GOALS

Currently expanding knowledge in React.js and UI frameworks. Eager to apply creative and technical skills in a real-world environment.
